

BEST IN IMPLANT DENTISTRY

AAID's 2012 Scientific Program will give side-by-side comparisons of various treatment options, challenging you to think about the choices you make. They will start Wednesday, October 3 at 1:30 pm following a morning of New Trends, Techniques, and Technology presentations and a Dine and Discuss session.

In addition, hands-on workshops will be offered throughout the meeting. A session featuring thought leaders in the field of implant dentistry from different parts of the world will be offered. The best in today's implant dentistry will be featured in several ways during the meeting including Poster Presentations, expert clinicians at Table Clinics, and Research Foundation Grant investigators' presentations of their current implant research.

AAID's Annual Meeting is well known for camaraderie and networking. Interact with the best and brightest in implant dentistry at two cocktail receptions, two Implant Expo lunches, multiple breaks throughout the meeting, and the always enjoyable President's Celebration.
