

MENTORING PROGRAM FOR ASSOCIATE FELLOW CANDIDATES 2012

If you are looking for practical advice as you prepare for the Associate Fellow examination, here's a list of Associate Fellows who have volunteered to serve as mentors. The year the examination process was completed is in parenthesis () after each name. Contact the mentor(s) of your choice.

The mentor's role is to provide encouragement, support and advice based on his or her personal experience, not to prepare materials for submission.
